

# REOPENING SOCIAL CONTENT

## checklist

---

### SAFETY 1

How have you made your venue safer for audiences?

Check off once content is completed:

- Hand Sanitizer Station
  - Social Distance Markers
  - Safety Glass Partitions
  - Staff Wearing Masks  
(Bonus points for company branding!)
  - Vaccinated Staff
  - Cleaning Protocols
  - Socially Distanced Seating or Limited Capacity Statistic
  - Temperature Checks
- 

### RETURN 2

What does it mean to finally be returning to live programming?

Fill in the blanks below:

The thing I missed most about live performance is: \_\_\_\_\_

The thing I am most looking forward to is: \_\_\_\_\_

We think our audiences will be thrilled to return because: \_\_\_\_\_

There's nothing quite like live performance, because: \_\_\_\_\_

Performing in front of a live audience is special because: \_\_\_\_\_

---

### REFLECT 3

What has the year on pause looked like for your organization?

Fill in the blanks below:

During shutdown, we had x number of online events, and our favorite was: \_\_\_\_\_

In 2020, we started a new tradition at our organization: \_\_\_\_\_

Because of COVID-19, we discovered this about our organization: \_\_\_\_\_

The lockdown gave us time to reflect, and we discovered: \_\_\_\_\_

After a year of COVID-19, we are grateful for: \_\_\_\_\_

---

### PROCESS 4

What is the process of rehearsing during a pandemic?

Check which applies to you:

- Fun ways to measure 6 foot distance in the rehearsal room
  - Hybrid in-person and online rehearsals: where are people working from?
  - Rescheduled performance from 2020? Explain the process of rescheduling or how the show is different than it might have been pre-pandemic.
  - Prop and costume sanitization: what is the process?
  - Are the artists in a social bubble? Share a story of this experience.
-
